

THE STORY OF CHARLESTON

The Story of Charleston

Overview

A multi-part series that tells the story of Charleston from its founding, through the early years and the American Revolution, to its role in the American Slave Trade and its critical role in the American Civil War, through the Civil Rights Movement, to its modern status as one of America's most visited and important cities.

The Story of Charleston chronicles the individuals, leaders, culture and events that make Charleston an iconic American city.

Part I

A City fit for a King

Part II

Port of Sin

Part III

Shots that Divided a Nation

Part IV

The Culture that Defines the South

Part V

Modern Day
